Roadmap

Strategic Green Deal Actions

1

2030 Biodiversity Strategy

A woman's face is shown in profile, looking upwards. Her face is partially obscured by a dense arrangement of green leaves and thin branches, symbolizing nature and biodiversity. The background is a soft, light blue sky.A small version of the GREAT logo, consisting of a green hexagon with a white circuit-like pattern and the word "GREAT" in white.

2

Zero Pollution Action Plan

A pair of footprints is formed by green leaves of various shapes and sizes, arranged on a light-colored, textured surface. The leaves are arranged to mimic the shape of human footprints, symbolizing a clean, green path or zero pollution.A small version of the GREAT logo, consisting of a green hexagon with a white circuit-like pattern and the word "GREAT" in white.

3

Climate Change Adaptation Strategy

An hourglass is shown with a globe of the Earth in the bottom bulb and a snow-capped mountain range in the top bulb. The hourglass is filled with a clear liquid, and a single drop is falling from the narrow neck. The background is a soft, light blue sky.A small version of the GREAT logo, consisting of a green hexagon with a white circuit-like pattern and the word "GREAT" in white.

Working with Initiatives & Partnerships

Digital Twins of the Earth

Copernicus services, Sentinel data & DIAS (Cloud platforms)

INSPIRE Directive and GreenData4All

Green Deal Data Space

Green Deal Data Space – Business value for the private sector

How will the data spaces impact the private sector?
How can the companies become a part of the ecosystem?
And what is their vision of the Green Deal Data Space?

Speakers

- Prof. Dr. Peter Baumann, Professor at Constructor University and CEO at Rasdaman GmbH
- Johan Bodenkamp, EU Programme & Policy Officer, DG CONNECT, European Commission
- Betty Charalampopoulou, EARSC Director and CEO of Geosystems-Hellas S.A.
- Patryk Jaskula, Geospatal Solutions Sales Manager, Airbus DS Intelligence
- Markus Probeck, Chief Business Development & Sales Officer, GAF AG

Moderation

- Dr. Christian Briese, Managing Director, Earth Observation Data Centre (EODC)

Thank you!
